Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- OK to film at O'melveny on the grassy area south of the restrooms.
- Barbeques and open flames are strictly prohibited.
- OK to bring in picnic tables for set dress.
- OK to park trucks in main parking lot. Must leave 10 spaces open to the public.
- OK to use overflow parking lot.
- Crew parking off site only.
- OK to use nothing larger than a stakebed on access roads to load and unload equipment only.
- Stakebeds must be parked at basecamp or off site.
- Emergency clearance must be maintained at all times on the access/ fire road.
- Production Company MAY NOT SMOKE on park grounds.
- Production Company may not have any vehicles on lawn.
- Production Crew vehicles must all be legally parked.
- Production Company must leave area clean after activity.
- Cannot impede park patrons from park activities.
- Production Company may do up to 2 minutes of pedestrian control while cameras are rolling only.
- Cannot interfere, prevent, or clear park patrons from the location of filming.
- Production Company does not have permission to remove or move existing landscape.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.

NOT A PERMIT

It is the company's responsibility to distribute these guidelines to all crew members. These are general guidelines for the area and are subject to change depending on your request.
7/22/2011

- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitted and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitted will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
